Phase 2

Tracking Monthly Expense Leakage in a Business

Solution:

- Compare Budget vs Actual Spend
- Department-wise expense analysis
- Category-wise expense analysis
- Month-wise expense trend (April to June 2026)
- Identify top overspending departments and categories
- Calculate Variance and Variance percentage
- Flag over-budget expenses for early action
- Recommend ways to reduce unnecessary expenses

Data Required:

- Department
- Expense Category
- Budgeted Amount
- Actual Spend
- Month and Year
- Expense ID
- Variance
- Variance percentage
- Budget Status (Over / Under / On Budget)
